About Divine Lingua Hub

Divine Lingua Hub is your first step towards a successful overseas career in the industry of your choice. We intent to assist you with upskilling and exploring International opportunities through our Apprenticeship, Internship and Placements Programs.

The German apprenticeship program is all about learning by doing. It combines classroom education at an institution with on the-job training from an employer. The government is actively promoting these opportunities through awareness programs for prospective candidates.

209, New Gandhi Nagar Ghaziabad (201001)
